

## SISTERHOOD UPDATE

Our annual **Kallah “Tea” (Shalosh Seudos)** was a huge success. Rabbi Yacov Tendler gave a special message to our kallahs and each Kallah received a beautiful cookbook from our sisterhood that we hope they will enjoy using for many years to come.

Chanie, how can we thank you enough for this year's program? It was so meaningful and inspirational. We listened to Shirley Bersson, Esther Hans, Eva Landa, Joan Newman, and Deanne Shapiro as they told us about the touching stories of our previous generation's courage and determination to cling to life and their belief in Hashem and pick up the pieces of their shattered lives, and build new homes and families after the Shoah. It is because of them that we and our children and grandchildren are here today.

A special fashion show followed the stories. Beautiful wedding attire were modeled by the even more beautiful and precious grandchildren of some of our shul members. Thank you Malki and Tehila Kwalwasser, the granddaughters of Nili Sklar; Aliza and Shaya Gilbert, the grandchildren of Rena Gewirtz; Andrew and Millie Helft, grandchildren of Deanne Shapiro; Shani Hans, granddaughter of Esther Hans and beautiful Aliza Schlusselberg modeled the stunning Bridal gown from Majestic Bridal. One of our favorite models was a little shy flower girl, our adorable Ellen Ritter! As the children modeled their outfits we were touched by the enchanting voice of our own Sandra Davis who sang an array of meaningful Jewish melodies. Thank you from all us. The children's gowns were loaned to us by Zeesi Muller's

Simcha Children's Attire and Eidi Moses of Euro Designs.

Thank you to those who sponsored our Hachnosas Kallah Fund (please send in your pledges if you have not yet done so) and if you are interested in making future donations please contact Rebbetzin Tendler as this project is ongoing throughout the year.

Special thanks to our committee, Barbara Marburger and Joan Newman, for making all the phone calls. Thank you Ilse for your wise council Thank you Rhoda Koegel and Barbara Shulson who led our capable crew in setting up and cleaning up. Thank you to Shirley Bersson and Suri Mayerhoff our presidium for all your efforts in creating this beautiful event. A special thank you to Suzanne Weilgus for stepping in at the very last moment as our highly competent narrator. A tremendous *yasher koach* to our talented Chanie Berkowitz for making this event so special. **Chanie**, you really outdid yourself and we are already looking forward to next year!
